

## LICENSE INFORMATION DOCUMENT

### Program Name:

HCL Domino Complete Collaboration 14.5 Partner Solution Edition

The following terms apply to the use of the Program:

### Definitions:

**Licensee.** For the purposes of this License Information Document, Licensee shall also mean Customer, an End User or other holder of an entitlement to which the License Information Document relates.

### Limited use right

As described in the i) HCLSoftware Partner Solutions Agreement or ii) the HCLSoftware Master Business Partner Program Agreement and Partner Solutions Addendum as applicable and this License Information Document, HCLSoftware grants Licensee a limited right to use the Program. This right is limited to the level of Authorized Use defined in License Metric below or other specified level of use, paid for by Licensee and evidenced by the proof of entitlement. Licensee's use may also be subject to other restrictions as prescribed in this License Information Document.

### Supporting Programs

Supporting programs are additional software provided to Licensee to support the operation and functionality of the Program (“**Supporting Programs**”). Licensee is authorized to install and use the Supporting Programs listed below in accordance with the license grant in the Master License Agreement, the relevant Order or such other relevant agreement for the Program only. The Supporting Programs may not be used for any other purpose.

A Supporting Program may be subject to the terms of a separate License Information Document (published here: [HCL License Agreements \(hcl-software.com\)](https://www.hcl-software.com/licenses)) and those terms, if any, shall also apply to the use of that Supporting Program. In the event of conflict, the terms in this License Information document supersede the terms of the Supporting Program. Sufficient entitlements to the Program must be obtained, as a whole, to cover installation and use of all of the Supporting Programs unless separate entitlements are provided within this License Information document. When Licensee's right to use the Program expires or terminates, Licensee must discontinue use, destroy or promptly return all copies of the Supporting Programs to HCL or the party from whom the Program was acquired. If use of the Supporting Programs is required beyond the limits of the Proof of Entitlement please contact a HCL sales representative or the relevant third party to obtain the appropriate license.

### The following are Supporting Programs licensed with the Program:

- HCL SafeLinx

### Software Development Kit

If the Program includes a Software Development Kit ("SDK"), the terms and conditions of this paragraph apply solely for the use of the SDK. The SDK may include software, APIs and associated documentation. The SDK is provided solely for Licensee's internal use to develop software that enables the integration of third party software or hardware with the Program, or to develop software that functions with the Program, such as an agent. Licensee's use of the SDK is restricted solely to enhance Licensee's internal use of the Program. No distribution rights of any kind are granted to Licensee regarding the Program. In addition to the limitations on use set forth in the MLA and License Information Document, Licensee may not

reproduce, disclose, market, or distribute the SDK or the documentation or any applications containing any executable versions of the SDK to third parties, on the internet, or use such executables in excess of the applicable authorized use limitation. If there is a conflict between the terms of this section and the terms of any other section in MLA and License Information Document, the terms of this section will prevail solely with respect to the use of the SDK. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND NOTWITHSTANDING ANYTHING CONTAINED HEREIN TO THE CONTRARY, THE SDK IS PROVIDED AND LICENSED "AS IS" WITHOUT ANY WARRANTY OR REPRESENTATION OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR REPRESENTATIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR PURPOSE, AS WELL AS ANY EXPRESS WARRANTIES PROVIDED ELSEWHERE IN THIS AGREEMENT. HCL WILL NOT BE LIABLE FOR ANY COSTS OR DAMAGES AND WILL NOT INDEMNIFY OR DEFEND LICENSEE TO THE EXTENT SUCH ACTION IS BASED UPON A CLAIM ARISING FROM SDK.

### **Redistributables**

The Program may include third party re-distributable components ("**Redistributable Code**") which Licensee is authorized to install use and redistribute for its own internal business purposes or where permitted and as relevant, as part and in support of Licensee's application. Such use shall be in accordance with any applicable third party license terms and conditions. When Licensee's right to use the Program expires or terminates and unless otherwise agreed to by the Parties in the MLA, Licensee must discontinue use, destroy or promptly return all copies of the Redistributable Code to HCL.

### **Source Components and Sample Materials**

The Program may include some components in source code form ("Source Components") and other materials identified as "Sample Materials" Licensee may copy and modify Source Components and Sample Materials for internal use only provided such use is within the limits of the license rights under this License Information document and Agreement, provided however that Licensee may not alter or delete any copyright information or notices contained in the Source Components or Sample Materials. HCL provides the Source Components and Sample Materials without obligation of support and "AS IS", WITH NO WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING THE WARRANTY OF TITLE, NON-INFRINGEMENT OR NON-INTERFERENCE AND THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

### **Program-unique Terms**

#### Multi-Product Install Image

The Program is provided as part of a multi-product install image. Licensee is authorized to install and use only the Program (and its Bundled or Supporting Programs, if any) for which a valid entitlement is obtained and may not install or use any of the other software included in the image unless Licensee has acquired separate entitlements for that other software.
